The Honorable Allen W. Dulles

Dear Mr. Dulles:

I am writing to invite you to attend the Tenth Anniversary Banquet of Beta Sigma Tau on Saturday, September 6, 1958, in Chicago, Illinois. This will be the highlight of our Anniversary Convention.

Beta Sigma Tau was founded in 1948 as the first national college inter-cultural social fraternity. It admits members solely on the basis of scholarship and character. No "hazing" or degradation of the individual is allowed. Our national membership is comprised of young men of all backgrounds. We now have 24 undergraduate and alumni chapters from coast to coast. Beta Sigma Tau is an affiliate of The National Conference of Christians and Jews and as such participates in many of its community programs like Brotherhood Week. Each of our chapters is required to participate in at least one project annually to benefit the college community.

Our Fraternity seeks to provide the enriching experience of working and sharing with men of all backgrounds within the framework of the American Fraternity system.

We will have as our guests at this convention educators and public figures who have shown interest in the problems of the American college student. Among these supporters are Eleanor Roosevelt, Chet Huntley, Dr. Frank C. Baxter, Senator Newberger and Harry S. Truman.

I hope you will join with us in this Anniversary Celebration. Your significant contributions in the field of human affairs have prompted us to want to share with you the benefits of such rewarding experience.

Sincerely yours,

Henry M. Rosenwald
National President
